

# Strategy Map

**Vision:** A high quality, qualified, and available workforce that can support existing and new business and industry.

**Mission:** To facilitate a workforce development system that educates, trains, and prepares a workforce attaining economic prosperity for Region 8 (Bullock, Chambers, Lee, Macon, and Russell Counties).

**Stakeholders:** Industry partnerships, employers, training providers and the communities where they exist

Region 8 has a strategic plan for workforce development that ensures stakeholders access and focuses on workforce needs

There is an available and skilled workforce in Region 8

## Key Business Processes (What is our focus?)

### Develop Strategic Alignments

Build and expand effective industry partnership

### Impact System of Education and Training

Align resources to employers' workforce needs

Connect job seekers and the underemployed to job opportunities

### Engage the Future Workforce

Promote awareness of career opportunities in Region 8 and the associated skills required

## Leadership and Governance

Maintain and enhance efficiencies and effectiveness in delivering programs and services

Engage EAWIN Council and increase participation

## Funding

Facilitate local government participation

Ensure industry and business participation

Direct grant funding to support EAWIN Mission
